Adaptation and follow-up plan

Worksheets for agreeing responsibilities, reviewing progress and adapting the experience.

Complete with the community

This plan accompanies the co-creation guide. Before selecting technology, agree which service to improve, how decisions will be made and what is needed to proceed. Write roles in the public copy; keep contacts and permissions private.

Phase	Agreement / open issue	Role and review
Approach through invitation and agree the encounter	_____ _____	_____ _____
Listen to everyday life and set priorities together	_____ _____	_____ _____
Compare options and co-design a trial	_____ _____	_____ _____
Put decisions into practice, learn and hand over together	_____ _____	_____ _____
Provide follow-up, evaluate and sustain the network	_____ _____	_____ _____

Adapting to context

What we change	Why and with whom	How we will test it
_____ _____	_____ _____	_____ _____

REVIEW AND CONTINUITY

From agreement to follow-up

Checklist criterion	Evidence / what is missing	Role / date
The community defined its priorities and agreements.	_____ _____	_____ _____
Materials suit local weather and resources.	_____ _____	_____ _____
Technical support and a maintenance plan are in place.	_____ _____	_____ _____
Every record has consent and protects personal data.	_____ _____	_____ _____
Learning will be evaluated with the community.	_____ _____	_____ _____

Measure changes chosen by the community

Expected change: _____
Starting situation, without personal data: _____
How we will observe it: _____
When we will return the result: _____
What we will do if it does not improve: _____

Succession and support

Which role will keep responding if the team changes? Which support and resources are confirmed? When will the agreement be reviewed? Use the full guide to interpret each checkbox; completing this table is not enough to check it.
